

Membership application form 2012

If you are applying for Full, Family or Student (16+) membership, you should also complete a Duties Form.

If you have received this form in electronic form, you can either:

- Print it and fill it in by hand
- Fill it in on screen and then print it off (this is preferred, as it eliminates legibility issues)

NB If you are completing the form on screen, Adobe Reader does not allow you to use the Save command to keep a record of the data you have entered, so you are advised to print an extra paper copy for yourself or make a virtual print using a PDF printer like PrimoPDF.

I apply for membership of Filey Sailing Club as indicated below. I agree to abide by the rules of the Club. I will insure my boat(s), board(s) and kayak(s) against third party risks to a minimum of £2,000,000. I understand that the Club and its officers shall not be liable for any loss, damage, death or personal injury howsoever caused to me, my skipper or crew, as a result of my taking part in any sailing activity or races whether organised by the Club or otherwise, and I warrant the suitability of my vessel for such purposes. I will be entirely responsible for my own safety, whether afloat or ashore. I understand the provision of rescue boats does not relieve me of my responsibilities.

Notes

Membership classes

Full Membership

Open to all persons who, on the 1st January in the year of membership, are aged 18 years and over, who may sail or race as owner or crew and/or berth a boat at the club.

Family Membership

Open to all persons who, on the 1st January in the year of membership, are aged 18 years and over, who may sail or race as owner or crew and/or berth a boat at the club. Membership is extended to the spouse or partner of the first named on the membership form and their children/wards aged less than 18 years on 1st January in the year of membership. Only the first named member and spouse/partner, if aged 18 years and over, shall be considered to be Mutual Members. Children/wards included in the Family Membership shall have the status of Student Members.

All family members who expect to participate in watersports at the Club should be named on the Duties Form. Participating family members aged 16 or over will normally be expected to perform duties at the Club, but families with young children who need supervision on shore can apply for exemption for one adult or 16+ family member.

Student Membership

Open to all persons aged 8 to 18 on the 1st of January in the subscription year and to all persons over 18 who are in full time education. Applicants and renewing members under 18 on that date must have the approval of their parent or guardian. Student members aged 16+ are expected to perform duties.

Associate Membership

Open to all persons who wish to support the Club.

Associate Members may not berth at the Club or sail Club boats. Associate Members may sail only on payment of a special daily fee. They will not be eligible for inclusion in any racing results. The day sailing fees per boat for 2010 are:

Single-handed: £7

Double-handed: £12

Berthing

Berthing is available to members for an annual fee (see categories and prices overleaf). To assist you a list of popular classes at FSC and the berthing categories they fit into is available.

Craft over 2.4m beam or 5.0m length will be allocated berthing at the discretion of the Club Committee.

All boats must be insured and well secured. No road trailers are to be left at the Club.

Some boats may have to be moved during special events to accommodate the Club Marquee and visiting boats.

Please note: In the event of members or former members leaving boats in berths for which no payment has been received, the Club will have the right to sell or otherwise dispose of these boats. Proceeds of the sale will be returned to the club member after all outstanding fees and expenses for the sale have been deducted. The member/former member will be given due notice of this taking place, so as to have the opportunity to remove the boat.

E-group

While membership of the e-group is optional, members are recommended to join it, as it is the most convenient method for advising members of forthcoming events through the year. It also provides a way for members to communicate amongst themselves. Formal communications, eg AGM papers, will be sent direct to members' individual e-mail addresses or through the post.
